

Meal Plan Guide

What does my meal plan include and how can I use it?

Meal Swipes give you access to the all-you-care-to-eat Market Bar inside the Terrace Dining Pavilion.

Meal Exchanges can be used to purchase to-go meals at Urban Kitchen, FoodLab, and Clean Plate. Meal exchanges and meal swipes CANNOT be used in the same meal period. When using a meal exchange you are exchanging a meal swipe to get a meal from one of the to-go locations thus your meal swipe has been used for that meal period.

Guest Meals can be used to treat friends and family to a meal inside the market bar. You can also use guest meals to gain access to the market bar if you have run out of meal swipes.

Dining Bucks can be used at all Bothell Dining locations, including to pay the door rate for all-you-care-to-eat access in the Terrace Dining Pavilion, as well as dollar for dollar at the POD Market, Quad Market and both of our cafes – Gold Brew and Village Café. The other locations include Urban Kitchen, FoodLab, and Clean Plate.

Meal Plan FAQs

Do I need a meal Plan to eat at Terrace Dining Pavilion?

- No, all locations accept debit or credit card in addition to meal card or husky card. You can also buy an entry ticket to the market bar at the kiosks on the 2nd floor.

Why doesn't my husky card work?

- Your husky card will not work unless you have purchased a meal plan or have added dining bucks to your account. It may take a day for your meal plan to activate.

How can I purchase a meal plan?

- To purchase a meal plan please visit our website: bothelldining.campusdish.com. Then use the meal plan page to check out with whatever meal plan you feel fits (you can also use our recommendation tool).

Who can enter the all-you-care-to eat area?

- The AYCE area is open to anyone with a meal plan and anyone who purchases an entry ticket at the kiosks.

How do I use my guest passes?

- To use your guest passes, visit the kiosk and select “Urban kitchen (meal plan only)” then select “guest entry”, hit pay using “guest pass +”, and then swipe your husky card or meal card. This will print a ticket that your guest can show to the to-go window attendant, and they will hand them a guest card to swipe in.

Will I be charged a second time if I leave Urban Kitchen / Market Bar and go to the bathroom?

- If you leave and come back during the same meal period, you will not be charged more than once.

Is it possible to see what the dining hall is serving before checking in-person?

- Yes, on our website, under locations and menus, you can check what each location is serving for each meal period. This will also have the hours of each location.

How can I view the menu today for each location?

- Visit our [website](#) and select the location you would like to know the menu for and then scroll down and choose which meal period you are looking for.

Grubhub

Why use Grubhub?

- Grubhub allows you to order ahead so you all you must do is pick up your meal. This ensures you don't have to take time out of your busy schedule through the process of ordering in person and then waiting for your food. Grubhub lets you know how long the wait will be for your order and tells you exactly when it is ready. No need to wait in line – order on your time.

Where can I use Grubhub?

- You can use Grubhub at Urban Kitchen for express meals, at the Drop for late night meals, at FoodLab and Clean Plate, and at Gold Brew and Village Cafe for drinks and bakery items.

Can I use my meal exchanges on the Grubhub app?

- Meal exchanges can only be used at the Grubhub kiosk in Terrace Dining Pavilion.

VOC

What is VOC?

Our real-time consumer feedback platform. It empowers guests to tell us how satisfied they are with our operation and offerings. VOC generates feedback through a short survey of questions designed on a 5-point scale regarding overall satisfaction, quality, service, health, convenience, and customization. It is the best way for our team to see what is working well and to identify and address any areas of opportunity.

What do we do with this data?

The Bothell Dining team is committed to taking feedback to heart and incorporating it into daily services. VOC stats are reviewed daily and are addressed directly whenever possible. "
